Lent, Holy Week and Easter Feedback

Hello Everyone,

Christ is risen! He is risen indeed. Alleluia! I want to say a sincere thank you to everyone who prepared, delivered and took part in any of our Lent, Holy Week and Easter services and events around the Churches.

Constructive and prayerfully considered feedback on Lent, Holy Week and Easter in the Circuit this year would be very welcome. You can simply give me a call to share your thoughts one-to-one, or send an e-mail to me or the Circuit office, or drop us a line in through the Circuit letterbox. No-one will be judged negatively because of what they share. It's all about learning and growing together as we serve Christ in the present age. So among other things, we'd be grateful to hear...

1. Which services/events did you choose to attend and why?
2. Which services/events did you choose not to attend and why?
3. Did you personally feel able to share publicity with those in the wider community and encourage attendance? If you didn't feel able to do this, please tell us why.
4. Which features of the Lent, Holy Week and Easter events did you find helpful and appealing?
5. Which features of the Lent, Holy Week and Easter events did you find unhelpful and unappealing?
6. What would you like our Churches to offer next year? Would you be involved in the planning and delivery of services and events?
7. Anything else?

Many thanks indeed and God bless now that Spring has sprung! val
